

Despite the challenges of 2020, SNS grew and evolved to reach more Allies for social justice!

SNS launched the **Virtual Allyship Program** to great success. We hosted 6 cohorts in the last half of 2020, and plan on more in 2021!

2020 marked 5 years of SNS! We celebrated by reflecting on our longtime partnerships and incredible growth.

Allyship

- Trained over 2,000 Allies
- Created 3 new virtual Allyship trainings
- 93 percent of participants committed to an Allyship lifestyle

"This course has been challenging and eye-opening in the best ways possible...I know now that although these problems are big, they are not impossible to change if we are committed to social justice and a better world for all of humanity."
- Virtual Workshop Participant

Service

- Graduated the 5th class of Service Fellows
- Facilitated over 700 hours of service
- Supported 14 D.C. area nonprofits.

"As a Fellow, I've had the opportunity to learn about change-making and Allyship from SNS leadership and an array of inspiring speakers, and have been able to apply my interests in data analysis to support an awesome organization."
- Sam Burns, 2020 Fellow
